Neighbourhood Plan Process

We're at the start of the journey, and there's still a way to go.

Community engagement is going to be key and so we hope you continue to follow progress and contribute to the data and evidence gathering.

We'll be doing our full questionnaire before the end of the year, so please do make every effort to share your views! Watch this space...

How To Stay In Touch

Each month we publish a **newsletter** with information on Neighbourhood plans, as well as our own progress and what's coming up next. This is available on the Parish Council website, Facebook and physical copies are displayed in the Village Hall and Parish Council noticeboards.
